

Resolution

At a regular meeting of the Board of Supervisors of the County of Appomattox, held at the Board of Supervisors meeting room on November 21, 2016 at 6:30 pm.

Present were:

On motion by _____, seconded by _____ and carried:

WHEREAS, Section 33.2-364 of the 1950 Code of Virginia, as amended, provides for the use of regular Secondary allocations on a Primary System Project,

WHEREAS, this Board requests the improvement of Route 460- Left and Right Turn Lane at Route 630: 0.076 Mile West of Route 630, To: 0.076 Mile East of Route 630 (Project Number 6460-006-648),

WHEREAS, VDOT has identified existing Appomattox County Secondary Road funds that are eligible to be transferred to this Primary Road project,

WHEREAS, this action will not disrupt existing funding commitments to construction underway or on the Virginia Department of Transportation's 24 Month Advertisement Schedule,

NOW THEREFORE BE IT RESOLVED that since this action appears to be in the best interests of the citizens residing in Appomattox County, the use of Secondary allocations for this Primary Project is hereby approved.
